Hi Sunshine,

Could you confirm whether we can grant Gabriela Montes, one of our prospective applicants, an application fee waiver? Her email is below. I will be sending her a voucher for her test as well.

Thank you!

Good afternoon Luis

Just checking in to let you know I still am in the process of completing the requirements to apply for the MIT program:~)!

Wondering if I might be able to request an application fee waiver? Also is there some kind of waiver to help pay the fee for the endorsement test for elementary education? As a newly single mother I am going through a transitional phase and am having some financial difficulties.

Thank you,

Gabriela Montes

Hi there,

This is Luis Apolaya Torres from the Master in Teaching Program at Evergreen. I hope you're doing well! This is a reminder that **applications must be submitted about a month from now (November 15)**. As I already discussed, you can submit an application by doing these three things:

- Fill out all required fields in the online application
- Attach at least one required application document (for example, your resume)
- Pay the application fee or request a fee waiver

If you do this by November 15, you would have until November 30 to turn in the rest of your MiT Application Materials.

If you have any doubts as to what you are missing, or if you are having trouble completing any of the application materials, please do let me know so I can know how to best help you!

Best,
