Hello Corbin~

Your fee waiver has been approved. When you submit your application, please leave the fee intact as I will need to enter the waiver information after your application is submitted.

Please let me know if you have any further questions.

Kind regards,

Hello Corbin~

Thank you for reaching out. I've passed your fee waiver request on to the program director for approval. I will let you know when it has been approved.

Please feel free to reach out with any other application questions.

Subject: Application Fee Waiver

Greetings,

I wanted to request a fee waiver for my graduate application. I am currently homeless and awaiting approval for disability and do not have income at the moment. Thank you.
