Hi Shalimar,

Thank you for following up with this applicant! Yes, you may waive the application fee. In terms of references, we require that at least one of the references be from a faculty member if the applicant earned their bachelor's degree within the past 5 years. The second reference can be a work supervisor, or it could be another person who knows the applicant professionally: a work colleague, or a staff person at an organization where they do volunteer work are options.

Hope this helps!

Mike

Good morning~

I spoke with Nico on the phone yesterday. May I have approval from you to waive his application fee? He's also struggling a bit to get ahold of faculty for recommendations (summer and all) - he graduated from Evergreen last year. Any suggestions for a reference beyond a work supervisor? I don't think co-workers are as beneficial. I want to be able to give him sound advice.

Thank you,

Shalimar

Hello my name is Nico Coffman,

I am writing this to formally request a waiver of my application fee of \$50. I am disabled and my primary source of income is social security disability. I am also a full-time single Father of a 9 year old so all of my income aside from essential bills go to caring for him. I can provide any necessary verification should you need it.

Thank you for your consideration,

Nico Coffman
