Mike,  
*Bilinda Hunter* is requesting an 'application fee waiver' due to financial hardship, it isn't often that we receive these types of requests and when we do it is usually granted. Thank you.

Hello Bilinda~

Thank you for sending your unofficial transcripts. It took me awhile to go through all the emails you sent and make sure I had the correct pages of the Tacoma CC transcript, but I got it figured out. As mentioned previously, our transcript office has confirmed that they will get your Evergreen transcript to me on time.

In regards to your application fee waiver, it still needs program approval. We don't give out free waivers without a reason. If you are experiencing financial hardship or have another reason for the request, please let Puanani know what that is, so that she can ask the program director if he will approve the waiver request.

Kind regards,

Shalimar Pedersen
