I propose that we consider this applicants request for an *application fee waiver*. I have not responded to the applicant yet.

He will be graduating with his *Master of Arts in Community Planning in June 2023 from the School of Urban Studies at the University of Washington in Tacoma* early June; he is abreast that we need his official transcript. He earned his BAS in *Youth Development*.

Subject: Request for an Application fee waiver for The MPA

Good Evening Puanani,

I have completed the application process for consideration in your MPA program. At this time, during the difficult financial challenges that I and my family experience, would you kindly please consider waiving the application fees for me, please?

Also, kindly let me know if there is anything I can do from my end.

Best Regards

Moe
