Hi Carri,

I hope you are doing well today!

I am just reaching out to see if we can offer an application fee waiver to our applicant, Bert Peterson-Haitwas, due to extenuating personal financial circumstances? It would really help her in her ability to apply to MES 😊.

Best wishes,
-Averi

Subject: MES app fee

Good morning,

I'm almost finished with my med application for fall and curious if the application and transcript fees can be billed to my account or be waived? I'm in a financial bind and don't want to miss the June first deadline....

Thanks Bunni Peterson Haitwas a00410997
