Hi Shalimar!

Adam previously paid for an application fee when applying to our program originally, and his application fee can be waived in his resubmission of his application.

Thank you!

Thank you Shalimar, do you need approval from the director, or would my saying that he paid for the application the last time he applied suffice?

Hello~

Don't forget to send me an email with a program waiver for the application fee for Adam Andres. And he changed one of his recommenders. 😊

Thanks and have a great weekend!
