Hi Shalimar,

I got to talk with Melinda earlier today, and it may be the case that she won't be applying after all. Haven't received that confirmation, but from the sounds of it her career goals are pretty different from what we offer. Just a heads up!

Hi Shalimar!

Making sure you get this approved request for an application fee waiver from Melinda Minton. Sunshine's approval is below.

Hi Sunshine!

We received a request for an application fee waiver. Like last year, all that is required is your approval so that the fee can be waived. I then forward it to Graduate Admissions so they can process it.

Let me know!

I would like to waive the \$50 fee. I don't see a form attached. I am finishing my BA after the fall quarter.

Hi Melinda,

This is Luis Apolaya Torres, Assistant Director for the Master in Teaching Program at Evergreen. I hope you're doing well! I wanted to reach out to ask if you have any questions or concerns about the application process thus far, and if you could let me know if you are aiming for the priority deadline (September 1) or the final deadline (October 25) for submission. Remember that these are the four things you need to do for us to consider your application as submitted:

1. \$50 application fee paid or waived
2. All required fields in the application filled out
3. At least one attachment
4. Hit "submit" button

If your application is submitted by 11:59 PM PST on September 1 but does not include all application requirements, you would have until 11:59 PM PST on September 15 to turn in any missing application requirements.

Let me know! Happy to make a meeting through Zoom or in person to discuss your questions.

Best,

Luis Apolaya Torres
