Subject: Request for application fee waiver

Greetings Sir,

I hope this email finds you well?

I write to request for an application fee waiver for my graduate studies at this prestigious department.

I am Fatoumata B Jallow, a prospective international student from The Gambia, West Africa. It has always been my passion to further my education in public administration. However, my inability to pay the application fee is as a result of low income earning. I am about starting my application, thus i wish to ask if there is any form of waiver available for international students like myself faced with such financial difficulties. I am optimistic that my dream of furthering my education will be enabled if this request could be granted.

Anticipating your positive response.

Regards

Hi Fatoumata,

Thank you for reaching out. Here is some additional information that may be of assistance to you.

TOEFL English language proficiency test – The Gambia is exempt from TOEFL testing, and you would not need to take this test.

Application Fee Waiver – You can request an application fee waiver by emailing MPA Director Mike Craw at crawm@evergreen.edu. Please include me on this message as well.
