Dear Admissions Committee,

I am honored to be in a position to recommend Morgan Fry for admission to the teaching program at Evergreen. I have witnessed her unwavering dedication and passionate pursuit for excellence in her role as a Legal Assistant in our office for over two years. She has continuously demonstrated an unwavering dedication to our work in the Torts Division and displays a remarkable commitment to her career growth. She approaches her assignments with a positive attitude and a determination to succeed that is rare among her peers, as evidenced by her ability to successfully guide multiple group projects to completion.

Morgan stands out for her strong work ethic and resilience, which has been exemplified by her enduring commitment to the Division through multiple staffing and case load challenges. Morgan is the first person to volunteer her time when asked, bringing her organization and follow-through to every project she works on. She is a natural leader who inspires others to dig into a project with tenacity and grit. Her involvement in training new employees and steer-heading large document-based projects has been a considerable contribution to the Tumwater Torts Division and their Investigations unit. Morgan's ability to inspire others and foster collaboration effectively has not only enhanced the group dynamics, but has driven success in the every special project undertaken.

I am confident that she will enrich your academic community and bring the same dedication and spirit of excellence to Evergreen as she has with our agency. Should you have any questions regarding Morgan's qualification, do not hesitate to contact me.

Thank you for your thoughtful consideration of this outstanding candidate.

Gunalchéesh,

Annya Ritchie
