Recommendation for Shane Adams

To Whom it May Concern,

I am writing to you this morning giving my highest recommendation to Shane Adams for your program. I supervised Shane during the summer of 2019 at the Bremerton Family YMCA, where I was his immediate supervisor while he served as one of our camp counselors.

Shane has a strong work ethic; He pours his heart and soul into what is asked of him and goes above and beyond. He was an ideal candidate for our camp and I was thankful to have had him as part of our camp program.

Shane was asked to lead groups of kids ages 4-14, and he did so with the best attitude and was the definition of a team player. Shane shared a lot about his love of environmental science with the kids he worked with, and even inspired our Y to have better recycling strategies and implemented them into our camp program.

Accepting Shane into your program will not only allow him the opportunity to continue to follow his passions, but he will also enter with an amazing amount of insight, teamwork ethic, and fresh ideas. I am excited to see where his career takes him in the field of environmental science, and hope he is provided the opportunity to do so.

Thank you for your time and consideration,

Rese Knickerbocker
