Objective

I am a graduate from Western Washington University ready to use my knowledge, skills and passion in the area of environmental change and sustainability. My degree in Environmental studies and minors in disaster risk reduction and environmental policy have shown me the urgent importance of sustainable practices and climate action and prepared me to be part of the solution.

EDUCATION

Western Washington University, Bellingham, WA, USA

Bachelor of Arts: Environmental Studies, Minor in Disaster Risk Reduction, Minor in Environmental Policy

EXPERIENCE

Professional Training:

Wildlands Studies Program: Colorado

- Field course studying the flora, fauna and conservation challenges of Colorado's diverse ecosystems. Gained experience in ecology, geology, field research methods, wildlife conservation and natural resources management

Community Emergency Response Team Training (CERT)

- Basic disaster response skills: Search and Rescue, Triage, Medical and Fire Safety

Completed FEMAs Independent Study Course ICS-00700.b and ICS-00100: An Introduction to the National Incident Management System

- Incident Command Systems courses; learning the official, universal systems for disaster response, organization and communication

Work Experience:

Cascade Pet Hospital

7/2022-Current

Provided professional, efficient and exceptional service to 20 animals daily. Effectively communicated with the veterinarians and vet techs to ensure the highest quality veterinary care was given to patients. Maintained the cleanliness of exam rooms and labs and adhered to all sanitation and safety standards

Cascadia Gardens

12/2021- 5/2022

Wholesale experience working in an organization preparing product for sale and distribution. Demonstrated meticulous attention to detail and the ability to quickly learn multiple aspects of the business while competently completing time sensitive assigned tasks quickly and accurately.

Big 5 Sporting Goods

Assistant Manager

1/2021- 12/2021

Track record of strong work performance as evidenced by increasing responsibilities and promotion to Assistant Manager. Responsible for the smooth operations and staffing oversight for a high-volume sporting goods organization including training and supervision of a team of 10 part-time employees
