To Whom It May Concern:

This letter is written with the intent of recommending Mariana Cervantes to the Master of Environmental Studies at Evergreen State College. In my experience as her employer, she is a dedicated individual who takes her assignments and work tasks very seriously.

Mariana worked with children with autism and other developmental disabilities as a registered behavior technician during her time at our agency. Based on her supervisors' reports, she was punctual and consistent in her attendance. The families she worked with spoke highly of her and entrusted their children and their progress to her.

I have virtually no doubt that Evergreen State College would benefit by admitting Mariana into its Environmental Studies program.

Please reach out with any further questions.

Kind Regards,

Carrie Myers, MSW, BCBA, QBA
