To Shalimar Pedersen,

I am writing to recommend Alicia Heetderks for Evergreen State College Graduate Admissions Program.

Having known Alicia for over 7 years as her supervisor I am certain that she will thrive in this program due to her many positive qualities.

During her time working with me, she has always impressed me with her ability to take complex processes and break them down into manageable tasks that can be documented. She has a unique ability to see and capture key performance indicators and use them to remain focused on these tasks. This allows her to manage complicated projects with great success. Based on this I am therefore confidently able to recommend Alicia for the Graduate Program.

I would also be more than happy to provide further details about Alicia if needed. I can be contacted directly via my personal email address: ezuniga@ch2o.com.

Sincerely
