EXPERIENCE

1 FEB 2017 – 6 SEPT 2019

SUPERVISOR, PIERSON'S BUILDING CENTER

I was responsible for all three departments in the garden center and had to assist any employee in those departments. They often came to me to answer questions about plant requirements or to diagnose diseases afflicting plants.

15 DEC 2019 – 15 JULY 2020

HIGH SCHOOL TUTOR, CAL-SOAP

It was my duty to tutor high school students in a wide variety of subjects from biology to music. But students primarily came to me for help with math.

15 JULY 2020 – 16 DEC 2020

GROUND'S KEEPER, HUMBOLDT BOTANICAL GARDENS

I maintained multiple sections to ensure the plants were healthy and free of invasive weeds. I also cleared paths to make them safe for visitors.

14 MARCH 2022 – CURRENT

IRRIGATION ASSIANTANT, ZAM MANGEMENT

I maintain correct moisture levels of a variety plants at different stages in growth cycle. I also keep a strict feeding schedule that needs to adjusted daily.

EDUCATION

MAY 2016

ASSOCIATE DEGREE IN AUTOMOTIVE TECHNOLOGY, COLLEGE OF THE SEQUOIAS

I spent my time focusing on car repair. I am certified in multiple fields of automotive technology, from engine rebuild to HVAC.

MAY 2019

ASSOCIATE DEGREE IN COMMUNICATION, COLLEGE OF THE REDWOODS

My focus was interpersonal communication and public speaking. I was frequently asked by my professors to give presentation to their other classes.

DECEMBER 2021

BACHELOR'S DEGREE IN BIOLOGY, HUMBOLDT STATE UNIVERSITY

I studied a wide variety of subjects from mammalogy to herpetology and even chemistry. I also have a vast knowledge of fish anatomy and plant physiology. I was able to keep a GPA of 3.90 throughout my years at this university.

SKILLS

- I can adapt to a wide variety of situations quickly.
