

How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by "Parchment, Parchment" with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

CREDIT

Since September 1933, a two-semester system has been in effect, with the unit of credit being the semester hour. A semester hour of credit represents weekly lecture/recitation of 50 minutes or laboratory exercise of about 110-170 minutes, for the 14-week semester.

GRADES

Effective Fall 2004, the following grading system has been in effect:

A = 4.000	B+ = 3.300	C+ = 2.300	D+ = 1.300
A- = 3.700	B = 3.000	C = 2.000	D = 1.000
	B- = 2.700	C- = 1.700	F = 0.000

AUD	= AUDIT (No effect on cumulative average or on credit toward graduation.)
CR	= is assigned to work completed through transfer credit or through testing (achievement, advanced placement, CLEP, college board scores) and has no effect on cumulative average.
DR	= DROPPED (No effect on cumulative average.)
INC	= INCOMPLETE (For students without graduate standing, counts as 0.000 in the cumulative average.)
IF	= INCOMPLETE FAILURE (Counts as 0.000 in the cumulative average.)
IP	= IN PROGRESS (No effect on cumulative average.)
NR	= indicates no grade roster was turned in for the entire class, and has no effect on cumulative average.
P	= PASS (No effect on cumulative average.)
SAT	= SATISFACTORY (No effect on cumulative average.)
W	= WITHDRAWN (No effect on cumulative average.)
WF	= WITHDREW FAILING (No effect on cumulative average.)
WP	= WITHDREW PASSING (No effect on cumulative average.)
Y	= YEAR-LONG COURSE IN PROGRESS. (No effect on cumulative average.)
—	= indicates no grade was turned in for this student. For students without graduate standing, counts as 0.000 in the cumulative average.

Between Fall 1975 and Summer 2004 inclusive, the grading system was the same as the current system above, except:

- The A-, B+, B-, C+, C-, and D+ grades were not awarded. Instead, AB (3.500), BC (2.500), and CD (1.500) midpoint grades were awarded in addition to the other grades listed above.

In the case of repeated courses, all attempts remain on the transcript, with impacts on GPA and credit totals as shown.

FIVE COLLEGE PROGRAM

Courses taken through this program bear a department code including one of the following institutions. These indicate which college offered the course.

@AMH	= Amherst College
@HMP	= Hampshire College
@MNT	= Mt. Holyoke College
@SMI	= Smith College

For this program, the student's home institution handles registration and grades.

The official Five College grading system is:

A = 4.000	B = 3.000	C = 2.000	D- = 0.750
A- = 3.750	B- = 2.750	C- = 1.750	E = 0.000
B+ = 3.250	C+ = 2.250	D = 1.000	F = 0.000

ABBREVIATIONS KEY

Column Headings:

ATTEMPTED = All credits in which the student was enrolled for the term, regardless of grade. Includes credits taken pass/fail.

EARNED = The credits passed.

GRADE = The grade assigned.

POINTS = The grade points. This is calculated by multiplying the number of credits for a graded course taken at this institution by the numeric value assigned to the grade received. (No grade points are assigned to courses taken on an elective or mandatory pass/fail basis nor any other courses excluded from the GPA per University policy. Note that also, no grade points are shown for F and _ grades, even though the course's credits are being counted into the GPA.)

Statistics Below Each Term:

TERM GPA = The student's Grade Point Average for the term.

TERM TOTALS = Display of, respectively, the sums of all credits attempted, all credits earned, and all grade points from this term's enrollments.

CUM GPA = The student's cumulative Grade Point Average reflecting all enrollments (and, occasionally, other credits) credited to this or previous terms.

CUM TOTALS = Display of, respectively, the sums of all credits attempted, all credits earned, and all grade points for all enrollments, transfer and test credits credited to this or previous terms.

Career Totals:

CUM GPA = The student's cumulative Grade Point Average reflecting all work recorded for this career.

CUM TOTALS = Display of, respectively, the sums of all credits attempted, all credits earned, and all grade points for all enrollments, transfer and test credits credited to this career.

Other:

An "S" preceding the course number was used, at one time, to designate courses taken at the Stockbridge School of Agriculture.

(RPT) or (REPEAT) At the end of the course title was used, at one time, to designate a course repeated.
