To whom it may concern:

I, Leslie Wiggins, am recommending Nathaniel Kelly for the Master of Environmental Studies Program.

I have been Nathaniel's direct supervisor for four years. During my time spent with Nathaniel I have witnessed his proven ability to think critically. His ability to evaluate and understand situations of all sizes and degrees has been valuable to myself and our company.

Nathaniel also has tremendous communication skills. Working in the customer service industry requires being able to assess the needs and wants of hundreds of people on a regular basis.

Nathaniel has received multiple raving customer compliments for his kind actions, going above for our customers.

Nathaniel is an invaluable and trusted crew member who is heavily relied upon to help with many of our daily operation processes. His attention to detail and his unwavering commitment to completing a task in full and on time are second to none.

My hope would be for you to accept Nathaniel into your program which he is very excited about. You will see for yourself that Nathaniel will add nothing but positivity and value to your program. To pass Nathaniel up would be a significant loss to you. Myself and Trader Joe's would hire Nathaniel at any opportunity and any time that we were able to, knowing what Nathaniel is truly able to give.

Thank You,
Leslie Wiggins
