Re: Letter of Recommendation for Madison Roberts

To Whom It May Concern:

I am happy to provide this letter of recommendation on behalf of Ms. Madison Roberts. At the Elisabeth Haub School of Law at Pace University ("Haub Law School"), Ms. Roberts was a student of mine in Science for Environmental Lawyers. She was a thoughtful participant in class discussion. In her final paper, *Keystone Species: Why They Should be Added to the Endangered Species Act*, she demonstrated an uncommon ability to propose a legal solution grounded in science.

In my prior role as Associate Director of Environmental Law Programs at Haub Law School, I also had occasion to interact with Ms. Roberts outside of the classroom. As Co-Chair of the Bailiff Committee of the National Environmental Law Moot Court Competition, she assisted in organizing an event in which more than 200 competitors from law schools all over the nation participated. Ms. Roberts had a particularly difficult task; because the COVID-19 pandemic prevented Haub Law School from hosting in-person events, she had to train over 50 Haub Law students on how to bailiff online. She spent many long hours working closely with me and her colleagues to ensure that the competition was successful.

Ms. Roberts was also able to balance her legal studies with her work as a volunteer researcher for the Global Center for Environmental Legal Studies, a Chair of the Green Pace Compost Committee, and a member of the Pace Law Garden Club.

In summary, I have no hesitation about recommending Ms. Roberts for your program. If you have any questions, please do not hesitate to contact me at 646-563-8945.

Very truly yours,

Inga Caldwell
