Dear Selection Committee:

I write in support of my former student Jamey Taylor's application to the MES program at Evergreen. I've known Jamey since 2018, when she completed an ILC with me. Her performance in this ILC was excellent. Jamey always showed advanced academic skills in research and writing, excellent accountability for her work, and promise for graduate school and beyond. She has stayed in regular touch with me, even after her graduation from Evergreen. She has now been working for a number of years, and is ready to go back for her advanced degree. I have no doubt Jamey will excel in the MES program.

Please let me know if you have any further questions.

Best,
Ulrike Krotscheck
