MES Prerequisite Information Statement:

I, Rebecca (Hue) Tevebaugh, will be attempting to meet the 4 credit statistics requirement for the Master's in Environmental Studies, at the Evergreen State College, by taking a four credit statistics class offered at TESC in Spring 2023. Upon completion, I will submit another transcript as evidence of meeting the 4 credit requirement. This will be in preparation for the MES program, which begins Fall 2023. It will be completed before the program begins.
