I would like to give my highest recommendation regarding the applicant, Rosemary York. I have known Rose since she was ten years old and I have worked with her in a number of situations. As her teacher, as her employer, and as a mentor in her life, I have watched Rose blossom into a responsible, intelligent, passionate caring adult who gives 100% to her whatever endeavor she sets her mind on. As a student, she is well-prepared, committed, and an asset to any educational institution. Rose is passionate about equity in all its forms. She is dedicated to the health and well being of our planet and teaches those around her how to recycle and reuse. I have no reservations about recommending Rose as a masters candidate as she will not only excel in the program but be an active advocate and contributor.

Sincerely,  
Michelle Tvedt
