

To The Evergreen State College Admissions Board:

Thank you for taking time to read this letter. I am writing this waiver to better explain my personal situation and why I have not attached my GRE scores alongside my application for admission to the graduate program at your esteemed institution. I have limited access taking this test in my country, I hope that you will be able to consider my application as a whole without the need for additional GRE scores. I have achieved top marks in my courses throughout high school and college. I believe that my academic and extracurricular record demonstrate that I am ready to take on the challenge of graduate education. If needed, I would be more than happy to take the GRE at the start of the school year. Thank you very much for your consideration, and I look forward to your positive response.

Sincerely,

Akusembom Sandra
