To Whom It May Concern;

I write this letter of recommendation with a smile on my face. I spent more than twenty years in law enforcement retiring as the Undersheriff for the Mono County Sheriff's Department. I currently work with the Washington Department of Fish and Wildlife. Although the position I currently hold does not require supervision, I do have plenty of experience in supervision and helping young adults move forward and seek self-improvement. I recommend Allison Bumbera for your Master's program. I know that she will be an outstanding member of your student Body. I have known Allison for more than three years. I have seen her dedication and work ethic. She is undeterred by challenges. Allison gives me confidence in the next generation. Your Environmental Science program will be well served by her involvement.

If I can be of any further assistance, please feel free to give me a call.

Sincerely,

Robert Weber  
Undersheriff (Retired)
