Janelle Cook Director of Financial Aid University of Alaska Southeast 11066 Auke Lake Way Juneau, AK 99801

December 30, 2023

Dean of Admissions Evergreen Olympia Campus 2700 Evergreen Parkway NW Olympia, WA 98505

Dear Dean of Admissions,

It is a pleasure to recommend Cami De Silva for admission to the Masters of Environmental Science at Evergreen State College.

I had the opportunity to supervise Cami for a couple of years in the Financial Aid Office at the University of Alaska Southeast.

While working together, I saw her determination to help those that needed it the most and would always be there to support the students and our team. She worked actively with our general student population and made strides to make sure that the students knew their next steps and understood the complexities of the regulations that Financial Aid has.

Cami is a very hard worker and a great employee, and she will be an exemplary student. I watched Cami grow in the years that she worked for us, and we were even able to bring her back on contract to help train a new technician. She has excellent written and verbal communication skills. She has a strong work ethic and was always there to help others. Furthermore, she consistently performed her duties with competence. Not only would Cami be an exceptional fit for your university, she would be an asset to your program.

Sincerely,

Janelle Cook
