To Whom it May Concern,

I am writing to recommend Samuele Forti for enrollment at evergreen College Masters Environmental Studies.

I have known Samuele Forti for two years as a supervisor at the City of Bellevue – North Bellevue Community Center and have nothing but positive things to say. There is no doubt in my mind that Samuele will be an excellent addition to Evergreen College masters Environmental Studies.

I have always known Samuele Forti to be of sound character, being adventurous, conscientious, creative, disciplined, flexible, honest, patient, resilient, and having a great sense of ambition. Over the course of two years, I have witnessed tremendous growth in Samuele's adaptability, communication, leadership, negotiation, self-management, and problem solving. I am certain these cultivated skills will allow Samuele to excel.

Samuele has an innate ability to develop and lead programs, develop interpersonal skills with co-workers and appreciate people for who they are. He communicates well through lecture presentations, direct personal discussion and by written expression. He enjoys the environment in which we live and explores the outdoors every chance he gets. As he pursues a further path of environmental studies, I know he will gain skills to be an asset to organizations that pursue a healthy environment for all of us.

Please do not hesitate to contact me if you have further questions or requests.

Regards,

Daniel Lassiter
