Recommendation letter for: Emma Hamaker-Teals

March 12, 2024

To whom it may concern,

I write to recommend Emma Hamaker-Teals for the Master of Environmental Studies program at Evergreen State College.

Emma took my class, Anthropology 311: *Anthropology of Globalization* in Spring 2023 and received an A+ in the course. Emma is a wonderful student, creative and curious. She came to class prepared and ready with questions and thoughts on the readings. At first, she was quiet but soon began speaking up in the class. She ended up writing a strong paper on the fast fashion company Shein.

Though I have only had Emma in one of my courses I think she would thrive in a small and engaged applied graduate program such as yours. She is eager to learn about the environment and I am sure she will find her way and develop an interesting research project. I consider Emma a serious student who would likely be an eager participant in a graduate cohort. The qualities I noticed in my course, her diligence and steady approach to learning, will serve her well in graduate school.

Please feel free to contact me if you have any questions or if you would like to discuss Emma Hamaker-Teals' application further. I can be reached via email at ebornste@uoregon.edu.

Sincerely,

A handwritten signature in black ink, appearing to read "Erica Bornstein".
