Only work taken at Ave Maria University is used in the GPA. Transfer courses may be accepted for course credit only.

Repeated Courses: AMU allows students to repeat courses with the permission of the Academic Dean. The grade earned in the repeat course, as well as the grade earned originally, appear on the transcript, the former identified as a repeat by []; the last grade earned stands as the official grade. Only the last grade earned is used in calculating the cumulative grade point average.

Withdrawal: A student may withdraw up to the twelfth week of a semester.

Incomplete: An incomplete becomes an "F" subsequent to the end of the following semester.

Transfer Credit: Credit earned at other, accredited, post-secondary institutions can be applied, provided the student earned at least a "C-" (1.7 on a 4.0 scale).

Course Numbering System: The three digit numbers which follow the alphabetical abbreviations are to be generally interpreted as follows:
