Subject: Letter of recommendation

To Whom it may concern,

John Perry has been an active and engaging member of our community these past few years. Whether it is habitat restoration or attending and presenting at Kiwanis meetings, John has excelled. John is also a member of our town's (population 7,000) very important planning commission. A commission with a lot on it's "plate" right now. John Perry receives my highest recommendation.

Stay safe - stay well,
