# WESTERN WASHINGTON UNIVERSITY BELLINGHAM, WASHINGTON 98225-9008

## ACCREDITATION

Western Washington University is accredited by the Northwest Commission on Colleges and Universities.

## DEGREE REQUIREMENTS

180 quarter hours of credit are required for the baccalaureate degree. Prior to June 1, 1971, 192 quarter hours of credit were required.

## COURSE NUMBERING

001-099 no credit                      300-399 third-year courses  
100-199 first-year courses        400-499 fourth-year courses  
200-299 second-year courses    500-699 graduate level courses

## FAIRHAVEN COLLEGE GRADING

Prior to Fall Quarter 1987, academic records for Fairhaven College students were posted and maintained yearly rather than quarterly. Completions carry the prefix FAIR and the transcript notation is S (satisfactory). Written student-faculty evaluations are required for the official awarding of credit. Conventional letter grades appear quarterly for studies taken in other WWU departments. GPA is not computed for Fairhaven College students. Degree requirements for Fairhaven College include a core program and completion of either a student-faculty designed concentration or an established WWU major.

## OTHER ABBREVIATIONS

(AP) Advanced Placement            (COR) Correspondence  
(CIS) Contract Independent Study    (WI) or (WP) Writing Proficiency  
(RIP) Resident Ind Study Program    (EXM) Course Challenge

## UNDERGRADUATE AND GRADUATE LEVELS

Prior to Fall 1999, post-baccalaureate course work was included in the graduate section of the transcript. Beginning Fall 1999, post-baccalaureate course work taken while not enrolled in a master's degree program appears on the undergraduate transcript. Master's and post-master's course work appear on the graduate transcript.

## TRANSFER CREDIT

Undergraduate transfer credit totals are accurate, but names of some transfer institutions may not be included.

## GRADING

The grade point average is calculated by dividing the total number of grade points by the total number of credits accumulated in courses in which the student has received a final grade, including grades of F and Z and excluding grades of EP, P, NP, S, and U. To determine points for an individual course, multiply the number of credits according to the following table.

Grades A through D-, S, and P are considered passing. Some courses are graded on the S/U system. For these courses, appropriate curricular authorities have determined that the A-F system is inappropriate. Neither S nor U is considered in the calculation of grade averages. Pass/No Pass grading is available on an optional basis to students in courses taken to fulfill electives. P and NP identify courses taken on the Pass/No Pass basis and are not counted in computing grade point averages.

An EP grade meets degree requirements during recognized university-wide exceptional circumstances.

## Grade Points

Grade	Per Credit	
A	4.0	Excellent
A-	3.7	
B+	3.3	
B	3.0	Good
B-	2.7	
C+	2.3	
C	2.0	Fair
C-	1.7	
D+	1.3	
D	1.0	Poor
D-	0.7	
F	0.0	
Z	0.0	Failure (unofficial withdrawal)

The following grades carry no grade points:

AUD	(Audit, no credit)	P	(Pass)
EP	(Pass – Exceptional Circumstance)	S	(Satisfactory)
IP	(In Progress)	SW	(School Withdrawal)
K	(Incomplete)	U	(Unsatisfactory)
NP	(Not Passing)	W	(Course Withdrawal)
		X	(No grade reported)

For terms prior to Spring 2020, K followed by another grade indicates that the K (Incomplete) was completed and assigned a grade, e.g., KA means that a K grade was changed to A. Beginning Spring 2020, an incomplete (K) grade is replaced with a final grade when the course is completed (with no preceding K).

## FRESH START

Undergraduate students who return to WWU after an absence of five years or more may request a Fresh Start grade point average. Grades marked with an asterisk (\*) indicate that the student was granted a Fresh Start and those grades are not included in the calculation of the cumulative GPA.

## COURSE REPEATS

The repeat rules have changed over the years. The current catalog will indicate the repeat rule currently in effect.

Courses marked with "I" in the Repeat (R) column have grades that are included in the grade point average and in the total earned credits. Courses marked with "E" in the Repeat (R) column are excluded from both the grade point average and the total earned credits. Courses marked with "A" in the Repeat (R) column are included in the grade point average but excluded from the total earned credits.
