TO TEST FOR AUTHENTICITY: This transcript is printed on one of the most technically advanced security papers. When scanned or photocopied the words "Void" and "VoidSecure" will appear on the copy. The paper contains invisible fluorescent security fibers and is chemically sensitive to a variety of document altering chemicals providing a visible stain or starburst reaction on the paper when document altering chemicals are applied. TonerSecure bonds paper and toner and attempts to remove printed images will damage the paper surface, revealing the alteration. It also contains an artificial watermark on the back which can be seen by holding the sheet at an angle where you can see a stamp mark image of VoidSecure®. This artificial watermark can also be validated by rubbing the edge of a coin along the back of the sheet for the image to appear.

***Prior to Fall 1976, 5000 level courses were for 5th year students only.
Fall 1976 - 2000, 5000 level courses were for advanced undergraduate, graduate, and 5th year students in professional curricula.

CALENDAR SYSTEM - Prior to Fall 2000, coursework completed at Auburn University was on the quarter system. The University's academic year was divided into four quarters: Fall, Winter, Spring, and Summer. Effective Fall 2000, Auburn University converted to the semester system. Prior terms are on a quarter system; however, the transcript reflects the quarter to semester conversion. One hour under the quarter system is equivalent to 0.67 hours under the semester system.

GRADE ADJUSTMENT POLICY (GAP) - Effective Fall 2000, all currently enrolled, regularly admitted undergraduate students may adjust a maximum of three (3) course grades of D, F, FA, or U associated with their undergraduate degree program from the computation of their cumulative GPA. Grades or credits considered as transfer credits, courses earned in a previously awarded baccalaureate degree, or grades that have been assigned as a result of academic misconduct are excluded from this policy. The policy does not offer exemption from academic requirements for Auburn University degrees. The adjustment only applies to grades in individual courses. All courses for which a grade is awarded at Auburn University will remain on the transcript. This policy is only available to currently enrolled, regularly admitted undergraduate students, and is not available to former students.

COURSES REPEATED AT AUBURN - All undergraduate courses repeated at Auburn will have one of the following notations. The "E" code may be used for graduate students taking undergraduate courses, even if they are not repeated.

A - The course is not counted in earned hours, but is included in Auburn GPA
E - The course is not included in either earned hours or Auburn GPA
I - The course is included in both earned hours and Auburn GPA
