Greetings,

It is with great pleasure that I recommend Kathy Wright for your program. Kathy is a stellar student who has great skills in effective communication, community building, and group facilitation, as well as clear values of inclusivity and justice.

As the Director of Student Engagement, I first encountered Kathy's open, outgoing, and positive attitude as a participant in our Identity, Culture, and Community Leadership Training. Her ability to use her life experience, personality, and knowledge to inspire and educate her peers is exceptional. Kathy not only advocates for herself but is steadfast in the principle that all need to be served equitably in education and society. I have continued to know Kathy as a student, a leader, and a colleague, in her role as TCC's Sustainability Garden Coordinator.

In her time as the Sustainability Garden Coordinator, Kathy has grown the garden and the programs it houses literally from the ground up. She is the first to hold this position and has made a genuinely significant difference on campus.

At Tacoma Community College, Kathy is an integral part of our community and serves both the instructional and student services areas. In the surrounding community Kathy is well regarded for her knowledge and expertise of gardening and community building.

Kathy works with the bigger picture and organizational outcomes in mind. Her calm and responsible approach has enabled her to successfully take on increasingly complex assignments and successfully collaborate with other team members to remain relevant and recognized.

Here is a snapshot of Kathy's accomplishments while a student at Tacoma Community College:

- Participant in Identity, Culture, and Community Leadership Training: 24 Hour Certificate
- Student Senator
- President Student Sustainability Garden Club
- Student Service and Activity Fee Budget Committee Member
- Co-Chair: College Equity, Diversity, and Inclusion Council

I believe Kathy Wright applies her remarkable drive and openness to any goal she takes on. She is committed to her own professional and personal growth and has a passion for helping others do the same. I am confident that her deep commitment to learning, understanding the world we live in, and serving others will only continue to grow and flourish as she continues her educational pursuits. I am confident that Evergreen's community would both contribute to Kathy's development and benefit from her presence. I would be more than happy to talk to you further about her ambitions, skills, and character.

Sincerely,  
**Sonja Craig Morgan**
