Associate of the Arts

## Recent & Relevant Work History

---

### **-Writing Tutor & Consultant**

currently employed since September 2023

I work one on one with students at Evergreen State College as a writing tutor for students and alumni.

- Completed training in and supported students with academic writing including science writing, evaluative and reflective writing, citation methods, organization, and creative writing.
- Mentored new tutors and prospective tutors in best practices in writing center pedagogy through weekly observation and reflection partnerships.

### **-Stream Team Volunteer**

Fall 2023 & upcoming Fall 2024

I am a docent and salmon life cycle educator that incorporates the ecology of the local PNW forest ecosystem by highlighting the importance of the diadromous fish in the local habitat.

- Participate in a yearly training on salmon life cycle biology and relevant local ecology topics.
- Empower community members about salmon life cycle biology and the impacts of low returns in the locals forests and waterways.

### **-Seattle Public Library**

Student Assistant & Library Assistant I 2011-2014

I worked in a fast-paced environment processing holds, ordering shelves, clearing returns, assisting patrons with accounts and late fees, processing damaged books, and monitoring the floor.

- Completed trainings on microaggressions and antiracism in the workplace.
  - Successfully designed displays for monthly library themes and activities.
  - Worked in a diverse environment that celebrated cultural differences.
-
