

Attn: MES

RE: Vanessa Doven, Request for waiver of prerequisite requirement

December 5, 2024

To Whom It May Concern:

I have found it a bit difficult to translate the transcript due to the way in which the college awards credits. After speaking with my faculty advisor at the Evergreen Tacoma campus, Dr. Tyrus Smith, I am of the understanding that I have met the prerequisites aside from the Statistics Prerequisite. I will meet the Statistics Prerequisite by taking a course before the beginning of the Fall 2025 quarter if I have not actually met it while attending Pierce College. I am currently waiting for my transcript to arrive from them.

I am attaching my early transcript from Evergreen to the MES application. Please let me know if you need the transcripts from Pierce College as well.

Thank you and I look forward to being a part of the upcoming 2025 cohort.

Sincerely,

Vanessa M. Doven
