

Master of Environmental Studies Program Application

All fields with an * are required.

Questions marked with an asterisk (*) require an answer.

There are questions on the application for admissions that Evergreen is required to ask, but your answers are optional. The data collected from these questions will be used to support Washington state and federal programs to address the needs of college students.

Request disability accommodation through [Access Services](#) to assist in the application process or call at (360) 867-6348 or (360) 867-6834 (TTY).

Remember these key pieces of your application:

1. Read and acknowledge the Signature Page Agreement.
2. Electronically sign and date your application.
3. Letter of Recommendation requests are sent to the recommenders you list in your application automatically after saving their contact information. Please be sure to have emailed your recommenders with your request for a letter prior to adding their contact information into your application portal so that they are aware they will be contacted by the application system.
4. If you think you qualify for an [application fee waiver, please review this information](#) before submitting your application. If you believe you are eligible for an application fee waiver, make your selection on the Application Fee and Waiver Options tab. All requests must be approved.
5. AFTER clicking "Submit" on your application, you will be taken to CashNet to pay the non-refundable \$50 application fee if you have not requested a fee waiver.

Contact the [Graduate Admissions office](#) if you have questions.

Transcript Instructions

Transcripts are required from the institution where you earned your bachelors degree. You are responsible for requesting official transcripts for your application packet to be considered complete and reviewed by the MES Program at Evergreen. Please contact your undergraduate institution and request official transcripts be sent to the Graduate Admissions Office. If you have questions, please contact the Graduate Admissions Office at (360) 867-6856 or [via email](#).

Mail to:

Admissions, Attn: MES

Evans 1200

The Evergreen State College

2700 Evergreen Pkwy NW

Olympia, WA 98505

For additional information review the "Preparing your application" section of the [How to Apply MES page](#).

All fields with an * are required.

You can see detailed information about application requirements for an Evergreen Master of Environmental Studies program on the [How to Apply - MES page](#).

Your application is only considered complete when we receive all of your application materials. Your materials must include:

1. Online application
2. Resume
3. Statement of Purpose
4. Academic Writing Sample or GRE scores
5. Official transcript from institution where you earned your bachelor's degree
6. Three Letters of Recommendation
7. Non-refundable application fee or [approved fee waiver](#)

PLEASE REMEMBER

You must request an official transcript from your bachelor's degree granting undergraduate institution.

You must provide proof of a bachelor's degree

Your official transcript must show proof of an awarded bachelor's degree.

You may be admitted provisionally pending completion of your bachelor's degree, but you will be ineligible for financial aid until your official transcript with your conferred bachelor degree is received.

All transcripts should be emailed to [Graduate Admissions](#) from the degree granting institution. Transcripts may also be mailed in an official sealed envelope from the attended institution.

2nd College Major

All fields with an * are required.

PREREQUISITES COURSEWORK

For more guidance, read through our [MES Prerequisites under Admissions Requirements section](#) .

MES requires that you have completed a minimum of 4 quarter credits or 3 semester credits of the following disciplines within the last 5 years (after Fall 2020):

Social Science (economics, sociology, geography, anthropology, etc.)

Natural science (biology, ecology, physical geography, etc.)

Statistics (course content must include elementary descriptive and inferential statistics, including basic probability, binomial and/or normal distributions, null hypothesis testing and p-values, and some specific statistical tests such as t-test, chi-square test, regression)

University or college coursework may be lower or upper division, but MES also accepts CLEP test credits and ECTS credits for the fulfillment of the prerequisite requirements. Enter information in the fields below pertaining to coursework or tests taken within the past five (5) years which fulfills the prerequisite requirements.

Transcripts with the completed prerequisites must be submitted to the Graduate Admissions office separately if the transcript from the institution where you earned your bachelor's degree does not include the prerequisite coursework.

If you do not have classes on your transcripts that meet these requirements:
You must:

1) Add "Petition" or "In Progress" in the Course Title field if you plan to either petition that a prerequisite be waived based on your previous professional and/or academic experience or, you plan to complete the required course before beginning the MES program.

2) On the Application Attachments page of this application, please add an attachment with either a short statement of petition, or a short statement explaining your plan to meet the prerequisite requirements through additional coursework.

Evergreen Students and alumni please use: Program Name for Course Title and the name of the Relevant Credit Earned within the program for the Course Number.

Request three letters of recommendation from people who can provide evidence of your ability to do excellent graduate-level work in the following areas:

1. Written and verbal communication
2. Critical reasoning
3. Data interpretation and quantitative analysis

If you have graduated from college within the last five years, at least one of your references must be from a faculty member (we strongly recommend this for all applicants). Other potential recommenders are:

1. Supervisors
2. Employers
3. Mentors
4. Colleagues – only 1 recommender may be allowed from a peer professional relationship

Please note: references from family and friends are not appropriate for this application.

* I waive my access to review this letter of recommendation.
I choose to waive my right to review this recommendation.

Waiving your rights to view recommendation letters means that you are choosing not to review the letters submitted on your behalf during the application process . [Under FERPA](#) , after enrollment at Evergreen you may be allowed to review any letters of recommendation that have been added to your permanent file.

All fields with an * are required.

Please use this section to attach your Statement of Purpose, Resume, and Analytical Essay. See more guidelines for completing these pieces of your application on the [MES How to Apply page](#) .

Note: Letters of Recommendation are to be sent from the recommender and not attached here.

ALL ATTACHMENTS should be uploaded on the " APPLICATION ATTACHMENTS " below.

Your document title must include: your name, graduate program, and type of document (example: SusanBloomMESresume). Preferred formats: WORD OR PDF

REQUIRED ATTACHMENTS

RESUME

Include relevant employment, volunteer experience, education, specific training, public and community service, and other activities. Format your resume as you would if applying to a job.

STATEMENT OF PURPOSE

In 500-1000 words, tell the admissions committee why you want to pursue a graduate degree in environmental studies. Provide detail of your experiences in education, employment and public or community work. Explain how each influenced you to seek a graduate degree in environmental studies.

ACADEMIC WRITING SAMPLE OR GRE SCORES

You may choose to submit either GRE Scores or the Academic Writing Sample for the final application requirement. For those interested in submitting the Academic Writing Sample, please follow the directions for the Academic Writing Sample below and submit your essay as an attachment in this section of the application. If you wish to submit your GRE Scores, please follow directions in the GRE Scores section.

The academic writing sample requirement is your opportunity to show your writing skills, and ability to synthesize literature.

Academic Writing Sample:

- Must be completed individually (no group project writing, no co-authors)
- Synthesis of information from various sources (including at least three academic journal articles or academic books, along with additional sources)
- Subject of the writing can be on any topic
- Cite evidence in parentheses throughout the text
- No use of artificial intelligence (AI) or plagiarism
- 5-10 pages (double-spaced)

5-10 citations in a References section

The committee will evaluate your writing based on the following criteria:

- Clarity and organization of writing
- Lack of grammatical errors and sentence fragments
- Strong sentence and paragraph structure
- Ability to synthesize academic literature and evidence
- Demonstrated use of in-text citations and a bibliography

You may use work that you have completed previously, as long as your final document meets the requirements for the academic writing sample. Please note, your essay should be a demonstration of individual work, group or team-based projects and essays will not be accepted.

For some good examples of academic writing samples, see the links to essays written by recent MES students on the [MES How to Apply page](#).

GRE SCORES

You may submit GRE Scores that are up to 5 years old from the date you plan to submit your application. For example, if you took the GRE on September 19, 2020, you may access and submit your scores from ETS until September 18, 2025.

If you have not yet taken the GRE, you will need to ensure that you take the test in time for your scores to be submitted to the Graduate Admissions office by the application deadline you are applying for. It takes ETS 10-15 working days from your test date to send your scores to your college(s) of interest. If, for example, you would like to meet the First Round Application deadline of December 31, 2024, you will need to have taken the GRE by December 14, 2024, to ensure that your scores are received in time. Your GRE test fee includes 4 free score reports to be sent to colleges of your choosing, you can request to have ETS send your scores to Graduate Admissions at Evergreen via email to graduateadmissions@evergreen.edu or mail to:

Admissions, Attn: MES
