

Statement of Plan to Meet Prerequisite Course Requirements

I am currently taking part of the credits needed to satisfy prerequisite requirements, and the remainder of my prerequisite credits will be completed next quarter. The plan has been discussed with Assistant Director of MES, Averil Azar, and has been established as follows:

In progress and Planned Prerequisite Credits Schedule:

1. Social Science

- a. Course – Cascadia: An Environment and History of the Pacific Northwest
 - i. Estimated completion date: End of Winter 2024-2025 quarter
 - ii. Number of credits: 4 credits
 - iii. Course number: 20222

2. Natural Science

- a. Course – Geology in the Pacific Northwest
 - i. Estimated completion date: End of Winter 2024-2025 quarter
 - ii. Number of credits: 2 credits
 - iii. Course number: 20202
- b. Course – Geology in the Pacific Northwest (course content does not repeat. May be taken more than once)
 - i. Estimated completion date: End of Spring 2024-2025 quarter
 - ii. Number of credits: 2 credits(see note above regarding viability to taking this course twice for a total of 4 credits)
 - iii. Course number: 30176

3. Statistics

- a. Course – Statistics I
 - i. Estimated completion date: End of Spring 2024-2025 quarter
 - ii. Number of credits: 4 credits
 - iii. Course number: 30089
