\*The 900/9000 level courses are primarily for the purpose of professional development. Although different in purpose from the core master's or doctoral graduate degree courses, such courses may be considered to meet elective requirements in some Seattle University graduate degree programs only in accordance with regulations of the particular graduate degree program and with approval of the student's program advisor.

**GRADING SYSTEM:** Effective *Summer 1983*, Seattle University added plus and minus grades to the letter grading system.

GRADE	POINT	DESCRIPTION	GRADE	POINT	DESCRIPTION	GRADE	POINT	DESCRIPTION
A	4.00	SUPERIOR	B-	2.70		D+	1.30	
A-	3.70		C+	2.30		D	1.00	POOR

## OTHER GRADES:

**CR Satisfactory Completion** - Effective *Winter 2024*: Indicates completion of course with a grade of "C" or better. *Fall 2023 and prior*: Indicates completion of course with a grade of "D-" or better for undergraduate, or "C" or better for graduate level. Where credit-by-examination is notated, indicates an achievement level of "C" or better. Included in credits earned, but not GPA.

**E Failing** - Indicates failure in a course; effective *Fall 1996*, replaced by an "F".

**HW Hardship Withdrawal** - Assigned by the dean for exceptional cases; documentation required to assign. No effect on credits earned or GPA.

**I Incomplete** - Student was unable to complete coursework by the end of the term due to an extraordinary circumstance, and an extension was granted. Prior to *Fall 1997*, if coursework was not completed by the extension deadline on the academic calendar, "I" remained as permanent grade. After *Fall 1997*, grade is replaced at deadline by final grade earned, unless a further extension is granted.

**IP Course in progress** - Registered course not yet completed.

**LW Late Withdrawal** - Student withdrew from class via petition after established deadline. No effect on credits earned or GPA.

**M Missing Grade** - Grade not available from instructor at time transcript was issued.

**N No Grade** - Coursework extends beyond the end of the term (e.g., thesis, internship, research). Grade suspended until work is complete. No effect on credits earned or GPA. If coursework is not completed, "N" grade is permanent.

**NC No Credit** - Indicates results of less than the minimum achievement of "C". No effect on credits earned or GPA.

**P Pass Grade** - Effective *Winter 2024*: Indicates completion of course with a grade of "C" or better. *Fall 2023 and prior*: Indicates completion of a free elective course with a grade of "D-" or above. Included in credits earned, but not GPA.

**Q Suspended Grade** - Work scheduled for completion at a much later date, available at the doctoral level only for dissertation related preparation credit. Students have six calendar years to complete. No effect on credits earned or GPA. If coursework is not completed, "Q" grade is permanent.

**R Mandatory Registration** - Required in zero credit doctoral level education courses. No effect on credits earned or GPA.

**S Satisfactory** - Given in selected non-graded courses and computed only in credits completed; equivalent to at least a "B" grade.

**W Official Withdrawal** - Student withdrew from class within established deadlines. No effect on credits earned or GPA.

**Y Audit** - Indicates student grading option choice. No effect on credits earned or GPA.

**YW Audit Withdrawal** - Student withdrew from an audit class within established deadlines. No effect on credits earned or GPA.

**Z Administrative Withdrawal** - Assigned by University Registrar to a student who registered, did not attend, and did not withdraw. No effect on credits earned or GPA.

**REPEATS:** A repeated course is noted with an "R" in addition to the grade assigned. Credits are counted only once and GPA points computed for the highest grade earned. *Summer 2023 and prior*: Only courses graded "C-" or below may be repeated to improve the grade, and the most recent grade is used for credit and GPA computation.

**DEGREE CREDIT REQUIREMENTS:** Undergraduate degrees require a minimum of 180 credits, except for the Bachelor of Arts in Humanities, which requires a minimum of 135 credits. Students in this program begin by taking specific accelerated classes at select high schools that prepare them for this accelerated three-year degree.

**\*COVID-19 SPECIAL GRADING:** Delivery of Instruction and assessment for most courses was modified this term due to campus closure. Option to take some courses for credit (CR) instead of letter grade. Effective Spring 2020 through Summer 2021. The College of Arts and Sciences and Core (UCOR) extended this option through Summer of 2022.
