Accreditation

The University of Oregon is accredited by the Northwest Association of Schools and Colleges.

Authenticity

An official University of Oregon transcript is printed on white security paper with a green background and a dark green border. The University seal appears in the center. Facsimiles of the University Registrar's signature and the University seal are printed at the bottom or on the reverse. If the transcript is photocopied, the word "copy" will appear across the face. Attempts to alter the transcript using chemical agents will cause the paper to stain brown.

Academic records for students attending Fall 1986 and after are printed in portrait format (8½" x 11" vertical). Records prior to Fall 1986 are printed in landscape format (8½" x 11" horizontal). Some records of coursework taken prior to Fall 1986 may have been converted to the portrait format.

Separate transcripts are generated for each course level: coursework numbered 001-499 will appear on an undergraduate level record; coursework numbered 500-799 will appear on either a graduate or law level transcript. Students may request a partial transcript.

In accordance with the recommendations of the American Association of Collegiate Registrars and Admissions Officers, all transcripts provided directly to the student, whether official or unofficial, will be marked "Issued to Student," or have other markings to clearly inform the receiver that the transcript has been personally handled by the student.

Credit

Undergraduate and graduate credits are recorded in quarter hours. Effective Fall 1973, Law School credit is recorded in semester hours. Credit earned at another institution and accepted by the University of Oregon is recorded in quarter hours.

Degrees and Credit Awarded by other Institutions

Any information displayed reflecting degrees awarded by, or transfer work accepted from, other institutions should be verified with the original institution for accuracy.

Under the provisions of Public Law 93-380, the information provided in this document is not to be released to others without the written consent of the student. The University of Oregon is an equal opportunity, affirmative action institution committed to cultural diversity.
