ABOUT THE COLLEGE

Shoreline Community College offers excellent academic, professional/technical programs and training to meet the lifelong learning needs of its community. Established in 1964, SCC operates under regulations of the State Board for Community and Technical Colleges. Shoreline operates on the **quarter system**.

ACCREDITATION

Shoreline Community College is accredited by the Northwest Commission on Colleges and Universities. Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Specific programs are accredited by the Accreditation Commission for Education in Nursing Inc., the Commission on Dental Accreditation, the Commission on Accreditation of Health Informatics & Information Management Education, the National Accrediting Agency for Clinical Laboratory Sciences, and the National Automobile Technicians Education Foundation.
