

To Whom It May Concern:

I would like to recommend Santiago Rangel for admission to the Master's in Teaching Program at The Evergreen State College. As the head Men's Soccer Coach in 2017, I recruited Mr. Rangel as a student athlete from Bothell High School to Shoreline Community College. Mr. Rangel exhibited positive mannerisms with a great attitude in our first contact. Mr. Rangel played as a student athlete in the soccer program between 2018 and 2020 and showed a high level of professionalism both on and off the field.

Mr. Rangel was one of the captains of the team both years. As a student athlete, Mr. Rangel played a huge leadership role and was second to none. He ensured the team was well coordinated on every level. He followed up with his teammates' academic progress by making sure they were up to date with their school work. He was my best student athlete academically and also an outstanding teammate. He had the best GPA during those years. In addition, he is respectful, dependable, dedicated, highly trustworthy etc.

As a result of his great qualities, it is without reservation that I write this letter of recommendation to the University of Washington Undergraduate Program. Being a first-gen student, Mr. Rangel continues to excel academically despite all the limitations.

As an Alumni of The Evergreen State College, I advised him to transfer from the University of Washington to The Evergreen State College when he consulted with me. Mr. Rangel has shown his gratitude since joining the college and is convinced The Evergreen State College is the kind of academic environment for him to learn and succeed.

Without a doubt, he would contribute immensely and be a great asset to the program academically and culturally. Please do not hesitate to contact me if I can provide you with any further information.

Sincerely,

Joseph Ademofe
