To Whom It May Concern:

I am delighted to write a letter in support of Louise Batten's application to the Master in Teaching Program. Ms. Batten was a student in my summer 2017 course *Children's Literature*. Ms. Batten is a dedicated student and demonstrated an excellent ability to synthesize information and apply it to practice. Ms. Batten always arrived in class prepared and ready to participate, and she collaborated well with others.

In summary, Ms. Batten clearly demonstrated the knowledge, dispositions, and academic skills necessary to engage in graduate work and I recommend her without reservation.

Sincerely,

Jon Davies, Ed.D.
