Hello,

My name is Beth Kim and Elyssa Conn volunteered in my class at Lincoln last spring multiple times. I looked over the attached sheet and it matches Diane and my records at Lincoln.

Thank you,
Beth Kim

Good afternoon!

I hope the beginning of the school year has been so sweet for you both. I am tying up the last of my application requirements and am in need of a couple signatures from you. Attached is my hours log sheet which you can sign electronically and send back to me OR you could send a quick email to graduateadmissions@evergreen.edu stating confirmation of my time with you.

I had so much fun in both of your classrooms and am grateful for the opportunity. Fingers crossed I make it into the program!

With gratitude,

Elyssa
