

# Letter of Recommendation

11/29/2022

To whom it may concern:

I am writing this letter of recommendation for Brittany Ferguson.

I have worked with thousands of young workers over the last 35 years, but few, if any, can match her hard work and dedication. She is the type of worker you fight to get and hate to see leave.

I am impressed with her skill not only to perform well but her ability to motivate others to do the same. I have no reservations in giving her a high rating as a student and worker with strong moral values.

Sincerely,

Colonel Retired
