The Evergreen State College

My name is Vanessa Walton. I am proud to offer my recommendation of Brittany Ferguson, whom I have personally known for 8 years, as a co-worker and former Dispatch Manager.

During my relationship with Brittany, I have witnessed an exemplary individual, who is dedicated to their line of work and goes above and beyond, when carrying out their responsibilities. Through her hard work and outstanding time management, she was able to be polite, respectable in manner, and professional in her personal and professional affairs.

I am confident Brittany will be a good fit and I give my highest recommendation.

Do not hesitate to contact me for any other needed information.

Sincerely,

Vanessa Walton
