16
6

33% of your total test score is based on your performance on the constructed-response questions.

Constructed-Response Score Information

Topic 1: Expository Writing Assignment

A "6" is an adequately organized and developed composition that addresses the assigned content, purpose, and audience.

- The writer addresses the given topic and generally remains focused on that topic; the discussion is coherent and includes language and style generally appropriate for the audience, purpose, and occasion.
- The composition is adequately organized with a logical sequence of ideas and generally clear writing.
- The writer's position is adequately developed with generally relevant, strong, and effective supporting information; the reasoning is generally sound.
- The composition exhibits adequate word choice; sentence structures are generally effective.
- The composition may include some flaws in standard spelling, capitalization, and punctuation.

Topic 2: Persuasive Writing Assignment

A "6" is an adequately organized and developed composition that addresses the assigned content, purpose, and audience.

- The writer addresses the given topic and generally remains focused on that topic; the discussion is coherent and includes language and style generally appropriate for the audience, purpose, and occasion.
- The composition is adequately organized with a logical sequence of ideas and generally clear writing.
- The writer's position is adequately developed with generally relevant, strong, and effective supporting information; the reasoning is generally sound.
- The composition exhibits adequate word choice; sentence structures are generally effective.
- The composition may include some flaws in standard spelling, capitalization, and punctuation.
