Education:

Willamette University '21

Majors: Environmental Science, Economics

Cumulative GPA: 3.76

Academic Awards: College Honors, Deans Scholarship, Compass Scholarship, Oliver C. Brown Scholarship, Richard C. Gillis Senior Award in Economics

Professional Experience:

Field Instructor—Straub Outdoor School Salem, OR—March 2020-Present

- Worked with youth from vulnerable backgrounds to increase accessibility of environmental education.
- Developed itineraries, lesson plans, and curricula for elementary and middle school students to facilitate engaging and inquiry based ecological exploration.

Academic Tutor—Willamette University Salem, OR—September 2020-May 2021

- Collaborated with fellow college students to assist them in their understanding of microeconomics.
- Reviewed professor's lessons to help students understand and master content.

Research Experience:

Willamette University Environmental Science Department Salem, OR—Fall 2020

Ecological and Economic Impacts of 'Wall Street Forestry' on Rural Communities in Oregon

- Spent 13 weeks conducting self-directed research as a culminating project to conclude my undergraduate study of the environmental science discipline.
- Performed an in-depth literature review, synthesized spatial and quantitative data and presented findings.

Willamette University Economics Department Salem, OR—Spring 2021

Declining Industry and Displaced Workers

- Spent 13 weeks conducting self-directed research as a culminating project to conclude my undergraduate study of the economics discipline.
- Performed an in-depth literature review, synthesized qualitative data and presented findings.

Leadership Experience:

Youth Soccer Coach—Capital FC Timbers, OR—August 2020-Present

- Worked with youth of a variety of ages to further their development as soccer players.
- Facilitated their growth as socially and emotionally responsible individuals by teaching respect and strong team skills.

Team Captaincy—Willamette Varsity Athletics Salem, OR—Spring 2019-Fall 2021

- Awarded captaincy of the Varsity Women's Soccer and Track & Field teams.
- Demonstrated leadership and communication skills through positive relations with teammates and coaches.

Skills and Training:

- Trained in EDI and very comfortable working with individuals of diverse backgrounds.
- Strong communicator, writer and illustrator.
- Very comfortable with Microsoft Office, Google Docs, R, ArcGIS and some Python.
- Proficient in French
