**Subject:** Fw: MIT Application Status

Hello~

I can't open the Apple attachment, but the emails says Travez is confirming the hours shown. Am I good to go with the email, or should I ask him to try to resend in another format?

Thank you!

~Shalimar

Good day everyone,

My apologies for the late response on behalf of Isabel.

Attached is my signature on her Hours Log Sheet confirming that Isabel completed her hours as shown.

Keep up the great work, everyone! :)

Take care,

Hello all,

I have attached my hours log to this email. I elected to use my hours with Straub Outdoors as my hours logged in a public school, and my hours with CFC as my hours logged with a community based organization. I have also cc'd Travez, my supervisor at CFC in the hopes that he might be able to verify my hours in response to this email.

Thank you all for your help with allowing me to complete my application.

Best,  
Isabel
