JOB EXPERIENCE

Tacoma Public Schools, Tacoma — *Substitute Teacher*

01/2015 - PRESENT

I substitute teach in a variety of subjects and grades in the Tacoma school district. I teach a diverse group of students from kindergarten to High School and implement the teacher's plans and individually help each student as they need it. I also at times create my own lesson plans when the teacher's plans are lacking. I implement effective classroom management strategies and group activities to ensure a safe learning environment for all students.

Supervisor: Colette Stewart 253-571-1260

Metro Parks, Tacoma — *Music Instructor/Recreation Leader*

01/2015 - Present

I taught drums and guitar lessons to ages 6-18. I planned and taught a songwriting curriculum to High School students at Summit Charter School once a week for a year. I planned and taught multiple band camps for ages 10-16. I worked as a Recreation lead for youth Summer camps planning and leading games and activities. I also helped coordinate and work at various community events organized by Metro Parks and have worked info tables at Summer festivals.

Supervisor: Molly Barnett 253-861-7174

Tacoma Nature Center, Tacoma — *Nature camp Instructor*

05/2019 - 08/2019

I planned and led nature themed learning activities, field trips, art projects, and educational games for kids ages 6-12. I planned and taught science lessons in a fun and engaging way.

Supervisor: Lauren Bentson laurenb@tacomaparks.com

Student Conservation Association, Tacoma- *Crew Leader*

05/2010-11/2010

I led a community crew of 12 High School students doing conservation work in an urban park in Seattle. The community program provided a Summer job, work skills, and environmental education to Seattle High School students with diverse backgrounds. The program included both trail work and removal
