Hours Log Sheet EJ.pdf;

Hi and Good Afternoon,

I am writing on behalf of Emma Jones. She completed 29 volunteer hours with Empowerment 4 Girls this August in our Week-long summer programming. We are grateful for the opportunity to work with Emma. I am using this email as my digital signature of approval for Emma's Volunteer Hours.

She enhanced our days with her calm demeanor, deep insight and willingness to support us in any way needed. Emma was an excellent volunteer and I look forward to her future endeavors educating and empowering youth.

Please let me know if you any further questions or if there is anything else I need to do to support Emma.

Thanks again and take good care.

In Love & Service,
