

Dear Admissions Committee,

It is with great pleasure that I recommend Allysa Klene. She has made a meaningful contribution to Habitat for Humanity for the past 4 years and has volunteered close to 100 hours. Allysa has given her time to help us achieve our mission for bringing people together to build homes, communities, and hope.

Habitat for Humanity depends on reliable and hardworking volunteers like Allysa to help us achieve our goals. She has played an integral part of our strategic plan this past year to serve more people than ever before. We rely heavily on the fundraising efforts in our community. Allysa has donated her time at our Habitastic Kids Carnival where she has run a variety of carnival and activity booths. Kids and parents alike love the way she gets them all to enjoy the experience with her. Our largest fundraiser is our Wizard of Oz Auction, for this, she dresses up as Dorothy, with Toto in tow, and sells raffle tickets during the event. Community members enjoy taking pictures with her to commemorate the evening. Allysa's creativity has been proven useful for setting up for these events and she is always willing to help us tear down as well. She sees the importance of our organization and is willing to step up and do anything necessary to help with our cause.

I believe Allysa has excellent character and integrity which will reflect in her academic future. Please accept this recommendation for Allysa, she will be an excellent candidate for your program. Please feel free to contact me at any time at director@graysharborhabitat.com.

Sincerely,
