Hi again!

The form I sent you actually had a mistake so here it is fixed!

Thank you again, and please let me know if it is possible for you to confirm these hours to the program!

Hi Casey!

I hope you are well. I'm not sure if you remember, but last year, myself and another student volunteered with the campus children's center to create a social justice booklist for the families for our course Teaching & Learning When the World is on Fire.

I am now applying to my Masters in Teaching program here at Evergreen and needed a signature for those hours I completed, and was wondering if that was possible.

I've attached the hours log, and if it's not possible to get an actual signature, I believe they will also accept an email confirming the hours at [graduateadmissions@evergreen.edu](mailto:graduateadmissions@evergreen.edu)

I've also attached a copy of the booklist just in case you don't remember!

Please let me know if any of this is possible!

Thank you so much!
